

March 17, 2020

Dear Y Members,

As you know we have been closely monitoring the spread of COVID-19 and its impact within the communities we serve. **On March 16, 2020**, we reduced program offerings eliminating all group activities and paid programs, but kept facilities open for individuals in an effort to continue serving the wellness needs of our members.

**After much consideration, we have made the very careful and thoughtful decision to close our facility at the Twin Pike Family YMCA beginning Thursday, March 19, 2020, through April 5<sup>th</sup>. We are committed to reopen with the same energy and excitement you expect from the Twin Pike Family YMCA as soon as the health and safety of our community can be assured.**

The guidance we are receiving from all sources informs us that the most effective way to curb the spread of COVID-19 is for community members to practice social distancing and remain at home as much as possible. Thank you for understanding this decision. The Y is so much more than a gym, we are a connected community and service organization. Serving the best interest of all is vital during this difficult time. We Love our Members, We Love Our Community!

Sincerely Yours,

Twin Pike Family YMCA
