

Aquatics Director

YMCA – Twin Pike Family YMCA

Location - Louisiana, MO

FULL TIME POSITION

Job Description

The Aquatics Director is responsible for overseeing the organization, implementation, administration, promotion and evaluation of the Aquatics Programs and facility. Under the direction of the Executive Director, the Aquatics Director will create and coordinate the scheduling and managing of lifeguards based on the number of hours and activities, which the Y's various activities demand, while working within the constraints of the approved budget. The AD will work closely with The Director of Competitive Swimming with the pool schedule and will lead all departmental in-services and meetings. The Aquatics Director will be in charge of training, orientation, evaluation, supervision and preparing payroll for all Aquatics Staff. The AD must be able to efficiently handle multiple duties under pressure with minimal supervision. The AD must be able to lead and direct a variety of instructional programs (swimming lessons) at a high quality level. The AD will also serve as a lifeguard, (can include opening or closing shifts), and assist in the operation of the pool (including chemical maintenance). The AD may also work in conjunction with The Director of Competitive Swimming and Y management in organizing Y events i.e., pool rentals, all recreational swimming programs to include 21st CCLC youth programs, all competitive swim meets, races, or community events when needed. Above all, have enthusiasm for making the aquatics facility a safe and fun place for the Twin Pike communities.
