Water Aerobic Description

Cardio Deep Water Running – Water belts are worn, so you don't have to be a swimmer. Your head and face are out of the water. At times water dumbbells will be used. At times interval and HITT will be performed. Any level can participate because everyone can go at their own pace. Great fun, challenging, and energizing. So great for your joints and muscles.

Taught by Cathy Taylor

Water Aerobics – Water fitness class for strengthening, toning and stretching. You will use the kickboard, noodle, & dumbbells. Set to a variety of motivating music from oldies to today's hits. Great workout for all fitness levels.
